MEMBERSHIP

Membership in the IAD is aimed at institutions or individuals who are actively interested and engaged in the advancement of limnology and its applications in the Danube region.

Membership categories:

□ REGULAR MEMBER (5 € per annum);

□ STUDENT MEMBER (2.5 € per annum, limited to three years, followed by regular membership);

□ ASSOCIATE MEMBER (institutional libraries, organizations; 15 € per annum);

□ LIFE MEMBER (major financial contribution to IAD, minimum of 100 times the prevailing dues)

Honorary membership category is also available to long-term members of IAD; please contact the General Secretary for more details.

PUBLICATIONS

The main IAD fora for communicating the research results are the annual conferences. Extended abstracts emphasizing briefly the main outputs are peer reviewed and presented during the conferences as oral or poster contributions. The most valuable communications are invited to be developed into full papers and can be submitted to River Systems journal. Short scientific publications and other communications are distributed through the Danube News twice a year.

Payment of annual membership dues is required regardless of the receipt of journals in one particular year. DANUBE NEWS is issued to all members who are in good standing for the year during which the publications are produced. Previous volumes of IAD publications are available for purchase; contact the General Secretary for details.

HOW TO CONTRIBUTE

Once your application for membership is confirmed, you can get in contact with one of the IAD Expert Group Leaders (contact data provided on the website). Based on your expertise, you can be involved as volunteer in some of the scientific activities carried out within IAD or you can contribute to basin-wide analyses on different topics.

PAYMENT OF MEMBERSHIP FEE

Membership fee is payable every two years and will be requested in writing by the National Representative. Payments must be made by bank transfer.
